

## Description

Medieval fortification from the Islamic period located on a rocky ridge in the current municipality of Mula (Murcia, Spain). The site still preserves an important part of its wall and two rectangular cisterns (aljibe).

Zapata Parra, J. A. & Yus Cecilia, S. (2018): "Una nueva fortaleza en la comarca del río Mula: el hisn de las Artesas", in XXIV Jornadas de Patrimonio Cultural Región de Murcia, pp. 403-409.

3D model was made in Reality Capture using 501 drone images. Additional processing was completed in Geomagic Wrap, InstantMeshes, Blender, and Substance Designer.

## Specifications
