

## Description

Mleiha Archaeological Center area, Mleiha, Sharjah. Pre-Islamic

A large farmhouse complex, built of mud-brick walls, situated 250m south-east of the Mleiha fort. The site was partially reconstructed and covers a total area of 35m x 25m. At first glance it appears to be a single large building but in fact MLH-4 comprises five residential units with separate entrances. Each of the five units at MLH-4 contains a number of different sized rooms.
