

Description

This 18th century jail is located in the basement of the old Town Hall of Villarrubia de los Ojos (Ciudad Real, Spain) and is one of the few remaining examples of this type of structure in the region. This 3D model is only a part of the old jail structure. This section of the jail currently belongs to the Círculo de la Unión Recreational Association, and we would like to thank this organization for its collaboration in this project.

This model was created from 22 scans from a FARO Focus S70 laser scanner using Meshlab and Xnormal.

Cárcel del siglo XVIII situada en los sótanos del antiguo Ayuntamiento de Villarrubia de los Ojos (Ciudad Real, España). Es uno de los pocos ejemplos de esta clase de edificios conservados en La Mancha. En el modelo 3D solo se muestra una pequeña parte de la antigua cárcel perteneciente actualmente a la Asociación Recreativa Círculo de la Unión, a la que agradecemos su colaboración en el proyecto.
