

Description

A Medieval commemorative shield on the wall of a house in Monterlaterne, Grosseto, Tuscany. The house was the medieval seat of officers sent to the castle by the Republic of Siena and/or the Abbot of San Salvatore of Monte Amiata. Date: 1473.

Model was created in Reality Capture using ?? photographs. The Mt. Amiata Project is an ongoing GDH collaboration involving faculty and students at the University of Florence and the University of Siena. We could not have done this project without the considerable support of the Municipality of Arcidosso.
