

## Description

A complex mix of anthropomorphic figures, several ibex, a wild ass, a bull with curved horns, human figures on horseback, and other designs. Still under study.

Al Mudaifi is an archaeological site on a small hill on the north end of the town of Khor Fakkan on the east coast of Sharjah, UAE. It consists of a large number of petroglyphs that span the periods from the Neolithic to the 19th century.

## GDH ID 4

This project was done as a collaboration between the Sharjah Archaeology Authority and Global Digital Heritage.
